

THANK YOU for purchasing this financial literacy package for you and your students.

I HOPE IT'S HELPFUL!

Follow the directions below to access the Google Docs version of this resource.

Note: Your district must allow access to Google products for this to work.

001 - Different Ways to Pay

1. Login to your personal or school Google account. If you're planning to upload anything into Google Classroom, make sure you're in your school account.
2. Click on the following:
 - a. The private [teacher-only video](#) to watch before the lesson.
 - b. The teacher-only [handout](#) to review before the lesson.
 - c. The [public video](#) to teach your students the lesson.
 - d. The [worksheet](#) for your students (with answers provided) can be printed or uploaded into Google Classroom.
3. The teacher handout is view-only for teachers whereas the student handout link above will force you to make a copy. Feel free to edit for your own classroom use.

*** Please do not share this page directly with students ***

Thanks again, for your support.
